Scramble Shotgun Format

Each player will play a ball from the tee. The best shot will be selected. Players will place the ball within one club length of the selected shot (no closer to the hole) and must be placed in the same environment that the original shot came to rest (i.e. if in the rough, next shot must be hit from the rough, and so forth). This same hitting structure will continue until your team finishes the hole out.

3 Drives minimum per player (includes all holes on the course).

Record the score on the score card and also identify with an "x" who's tee shot was used.

Prizes and trophies will be awarded for top 3 teams.

The official score card must be submitted to the golf staff to verify scores. Any scorecards not turned in will be considered a withdrawal.
